You have a potential Safeguarding concern

Complete a risk assessment to determine risk level
(Contact the Youthscape Safeguarding Team if you are unsure or would like some support)

Red
You have evidence the young person is at immediate risk of harm

Contact the school's Designated Safeguarding Lead in person immediately (if you do not know who this is go to school reception and tell them it is urgent you speak to the DSL)

Ensure the young person is involved in this process and is given agency to share what has been disclosed with the DSL if they would like to

The DSL will decide how to proceed

Inform the YS Safeguarding Team and record your concerns and actions on CPOMS

The YS Safeguarding Team will share the CPOMS report with the school DSL

Orange
You have concerns, but no evidence the young person is at immediate risk of harm

Contact the YS Safeguarding Team via phone as soon as possible during the session

Decide together whether to:

1. Continue to observe
2. Talk to the young person to find out further information

Record your concerns and actions on CPOMS

The YS Safeguarding Team will share the CPOMS report with the school DSL

Yellow
You are not currently concerned about the young person's safety, but there are pieces of information that may contribute to a bigger picture

Record the information on CPOMS

The YS Safeguarding Team will share the CPOMS report with the school DSL

Green
You have no concern

Record information in the young person's Progress Records
